NOTICE

8th September 2022

Vidyarthi Vigyan Manthan 2022-23: India's Largest Science Talent Search for New India using Digital Devices

Vigyan Prasar, in association with the NCERT and Vijnana Bharati, is co-assisting Vidyarthi Vigyan Manthan (VVM) 2022-23. VVM 2022-23 will be India's first open-book science talent search examination designed to be carried out using digital devices. Moreover, this year VVM is coming up with Bhaskara Scholarship for Himalayans (18 students) and SRIJAN (Internship-cum-Extensive Training Program) for all national level winners (90 students). The Mega Nation-Wide Science Experiment will continue this year as well. It is an experiment based on the food habits of students, the nutritional value of the consumed food, and its environmental impact.

For more details, please visit: <https://www.vvm.org.in/>

All CISCE affiliated schools are requested to participate in VVM.
